Concept (up 300 words):

Optional work and process information, to be published online on the exhibition page:

(This section is not obligatory, however it could give the jury and audience a deeper insight regarding your work, and so it is recommended that you answer these questions)

What was your starting point, or your inspiration, for doing this project?

Description Form 2/2

Do you have a personal (or other) connection to the exhibition's theme?

What were the main reasons for choosing the materials, shapes or technique in your work?

What kind of feelings do you wish to convey to the viewers of your work?

If you could give your jewelry to an important figure in the Middle East, who will he/she be, and why?
